

ASHLEY MCDOUGLE

1. Where were you born?

-Plantation, FL

2. Where were you raised?

-Deerfield Beach FL

3. What was your favorite year of high school?

-Definitely freshman year! Because I barely knew anyone and I got to meet hundreds of new people and made friendships that will hopefully last a lifetime.

4. Why?

-explained in numero 3

5. What have you done that had made an impact on Monarch High School?

-Raising money while being president of my Class Junior year was not the only thing. In my senior year I became Student Body president leading beach clean ups, raising money for children's hospital, organizing pep rallies, homecoming, and Sadie Hawkins, took up half my time this year. Also through all four years I've always had school spirit even when class rivalry got out of hand.

6. What are plans after graduation?

- I have been accepted to FSU class of 2014 where I plan to be in a pre med major to get into dentist school.

7. List One word to describe you best.

- Carefree!

8. Why do you think you should be queen?

- I think queen should go to a person who's done a little bit of everything for Monarch, I've played sports all four years, raised thousands of dollars for the school and have always been involved as well as building friendships with as many people as I could.

9. Where is the most unusual place you would wear your crown?

-The most unusual place I would wear my crown is 30,000 feet in the air when I go sky diving for my graduation present! Oh , duck tapped of course too.

10. If you could bring a famous person to prom (not a student) whom would you bring?

- McLovin from Super bad! He'd be so fun!

11. Fast Forward!!

What will you be doing in Five years?

- Going to Dental school at UF.

What will you be doing in Ten years?

-Graduating from Dental School.... where I hope to open my orthodontics practice in South Florida and giving kids a sweet smile!
