5,000 CLUBS 24 NATIONS

Student-led

Key Club is an organization of individual Key Clubs and is funded by nominal dues paid by every member. Its officers are high school leaders elected by the members at district and International Conventions.

Inclusiveness

The requirements for Key Club membership are set forth in the Bylaws of Key Club International. Specifically, Key Club membership is open to any student who desires to become a leader in his/her school and community and wishes to provide service to others.

"In Key Club I have met awesome people that I will keep in my life for an eternity."

- Chelsea, Montana Key Club Member

Leadership

Every Key Club elects its own officers annually. A president, one or more vice-presidents, a secretary, a treasurer, and an editor are elected each year. The club is organized into committees, which are responsible for planning and implementing the club's service projects, social activities, and leadership development. To be successful, it is important that every Key Club member find a role in the club.

"There is power when you give."

- Pedro, Indiana Key Club Member

Caring: Our Way of Life

Each Key Club has the autonomy to select and plan its own service projects. However, members unite to make an international impact under the banner of the Major Emphasis Program, Children: Their Future Our Focus. There are two components to the MEP: Service Partners and the Service Initiative. Partnered with Key Club International are UNICEF, Read & Lead, March of Dimes, and Children's Miracle Network. The Key Club Service Initiative invites members to serve children in an educational hands-on approach and changes every two years to meet the needs of children.

"Key Club has helped me to appreciate the things I have in my life, by helping others less fortunate."

- Deborah, Barbados Key Club Member
