

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA

Full-length Feature Films To Be Used For Classroom Instruction

School: Monarch H.S. Date: 3/24/09

Dear Parent:

Students in my classes have been studying environmental awareness.

To support this unit, I plan to use a full-length feature film.

The material, entitled: Planet Earth,

is being shown because it will enhance student understanding and appreciation of the earth

Viewing of this is highly recommended but is not mandatory. An alternate assignment related to the unit being taught will be provided if you do not wish for your child to view this material.
