## Additional Requirements

All students must:

- Pass the 10<sup>th</sup> grade FCAT.
- Maintain a cumulative 2.0 average on a 4.0 scale.
- Complete at least one semester of computer education in grades 6-12.
- Complete 40 hours of community service.

## Special Curriculum

Qualifying freshmen may apply for the *Excalibur* program. This course of study features a team of teachers working with an integrated curriculum designed to meet the needs of high achieving students.

Monarch has been designated as a Digital Learning Environment school. Technology is fully integrated into the curriculum for both teachers and students in order to bring about an optimal learning environment.

## Weighted Grade Average

- All Advanced Placement and Dual Enrollment courses receive two additional points when calculating the weighted grade point average in grades of C or higher.
- Honors courses receive one quality point.
- Some Honors courses are designated as “Honors” and/or with a “Y” flag.

## Forgiveness Policy

Students who earn an F or a D in a class may repeat it in order to raise their GPA. Courses that are repeated and replaced will be denoted with an X or CW. The new course will be denoted with an I or Z.
