

## Semester Project

Ms. Albahae - American History

Create a Folder/Binder containing one of the following research assignments.

### The Presidents

For each president (including who wins the election in November) include the following information:

- Name and presidential number
- Picture
- years served (including number of terms)
- Who was their Vice President?
- Where were they born?
- On what date were they born? (Date of death if applicable)
- What political party did/do they belong to?
- Occupation prior to presidency
- Were/are they married?
- Name at least 2 significant events that occurred during their presidency (and explain what the events were and why it was important).
- Name at least one "fun/interesting fact" about the president.

**REFERENCES: There must be a reference page after each president's profile. At least 3 sources should be used for each president.**

OR

### 15 Days that changed American History

- Picture that represents the event
- Date
- Main people involved
- Why did this day change the course of American history? (Explanation of event and significance must be at least 3 paragraphs each).

**REFERENCES: After each summary of events, there must be a reference page with at least 3 sources.**

It is up to you to decide which semester project you would like to research. There will be dates periodically throughout the semester that I will be checking your progress on these assignments. Those dates will be posted on the board, website and agenda book at least a week prior to checking the assignment. I have provided examples of each project for you to see.
