Full-length Feature Films To Be Used For Classroom Instruction

Date: 03/09-10/2010

Dear Parent:

Students in my classes have been studying John Steinbeck.

In order to support this unit, I plan to use a full-length feature film. The material entitled:
" The Grapes of Wrath " is being shown because it will enhance our study.

Viewing of this material is highly recommended but is not mandatory. An alternate assignment related to the unit being taught will be provided if you do not wish for your child to view this material.
