August 2010

Dear Parent/Guardian(s):

It is with great enthusiasm and pleasure that I welcome your child into my class. My name is Kristina Cohee, I teach physical education at Monarch High School. Physical education is my passion, and my goal is to convey that passion and love for physical activity to your child in the least threatening way possible. Right now we are starting our first unit for the nine weeks, Volleyball. I teach the skills and rules of the game, offensive and defensive strategies, as well as how to officiate a match. This is no ordinary PE class; at Monarch High we pride ourselves in making meaningful connections between learning experiences and the real world. Did you know that at 16 your child could start officiating volleyball matches for money? I am here to enhance and personalize your child's education, and with your help we can meet that goal.

I believe contact between the student's parents and teachers is very important. I will call you when your child does something outstanding in class or send home a little note bragging on them. On the other end of the spectrum, I will also call when I feel your child's behavior is not quite what it should be in class. Usually this will deter any further actions that I might have to take when a child is misbehaving.

If you have any questions or concerns feel free to call me. My planning period is 2nd block (9:21-10:51) this is the best time to reach me. If you cannot call during these hours leave a message on my voicemail or e-mail me at k.cohee@browardschools.com and I will call you back as soon as possible. I know we will have a working partnership together to make your child's learning experiences meaningful, enjoyable, and the best they can be.

Yours truly,

Kristina Cohee
