

## The Sun King

1. When the King first wakes up, who is able to enter the King's Bedchamber?
2. What is the estimated number of people assisting in the levee?
3. When the public first lays their eyes on the king, what are they allowed to do?
4. When the king "holds council," when are financial matters usually discussed?
5. What is the estimated number of people in attendance when the king is eating his dinner?
6. At what time can the king take a carriage ride through the gardens with a few friends?
7. How many secretaries of state did France have under Louis XIV?
8. When does the king say "goodnight ladies?"
9. Who joins the king for his royal supper?
10. How much did Louis XV and Louis XVI adhere to the "ceremonial rising?"
