

Constitution Day Project

DAVIS

To celebrate Constitution day and to inform the school of said day, each of you will create a Poster/ Presentation that symbolizes the importance of the United States Constitution. These posters will be placed in my classroom, as well as hallways throughout the school. You may work in pairs if you would like. The content is up to you, but you will find some sample ideas below:

- ✧ Fast Facts of the Constitution
- ✧ Specific Amendments
- ✧ Signers of the Constitution
- ✧ Basic Governing Principles of the Constitution

These projects should dazzle the mind as well as the eye.
You will be graded on both requirements.

200 possible points
