Dear Mr. Hendrickson:

First off, I would like to thank you for taking the time to read this letter. My name is Josh Smith. I am a student at Monarch High School in Coconut Creek, Florida. We are currently an "A" school and continue to make even more improvements as the years go on. I am currently a member of the Monarch Knight's baseball team. We have just finished our season and recorded the first winning season in the program's brief history.

As you know the economy is a sore subject. Everyone around the nation is struggling financially and that includes Monarch High School. Our baseball team has tried to fundraise for new uniforms, but just have not been able to reach our goal of \$500. We currently have in our account, \$325. We would like to know if you would like to donate the remaining \$175 to our booster club so we can purchase new uniforms for next year. Any contribution would be much appreciated.

Thank you in advance for any contribution that you can make for our program and thank you for taking the time out of your busy schedule to read this letter. We wish you the best success in your company and have a pleasant day.

Sincerely,

Josh Smith
