

AP Psychology World Language Assignment

1. Research a different language from around the world. You may not choose Spanish or Portuguese.
2. Tell me about the structure of the language (phonemes, morphemes, & grammar)
3. What is unique about that language?
4. What are that cultures initiation rites?
5. What are the nonverbal language cues that are used? Ex:
Do you look someone in the eyes when speaking to them?
6. How does a sense of self-develop in that culture?
7. 10 facts about that culture.
