

American Government/Economics Vocabulary Assignment

- Each morning there will be 2 – 3 vocabulary words on the board.
- You will have the first 10 minutes of class to go through the book and define the word.
- You will then come up two sentences using each word in the context of American Government/Economics.
- You will have your vocabulary assignment checked twice during the semester, once at the mid-term (American Government) and then before the final exam (Economics).
- Each check is worth a test grade.
- If you are absent from class it is your responsibility to get the words you missed from a classmate.
