October Fright Night Project 300 points.

Reading Log - 100 Points

Complete the Fright Night Reading Log

Fright Night Illustration - 100 Points

Illustration- scary night (think haunted house, bats, stars, pumpkins). Include in the sky the title, author, and number of pages. ON the objects in the picture you must include a plot, setting, character analysis, and universal statement of theme. I suggest containing these elements in the windows of the house or on the stars and moon or on the black cats and pumpkins—be creative!

Fright Night Presentation to Class - 100 Points

Speak loud enough for the class to hear you.
Make eye contact constantly with your audience.
Clear language to get your points about the story across
Ability to answer any questions about the story

.

October Fright Night Reading Log
